**UNITED STATES' THIRTEENTH STATUS REPORT**

The Court previously stayed this civil forfeiture case because civil discovery would adversely affect the ability of the Government to conduct a related criminal investigation or the prosecution of a related criminal case. Order to Stay (Doc. No. 16). The Court further ordered the United States to submit a status report every 90 days.

The United States submitted its First Status Report on November 19, 2018 (Doc. No. 19) and every 90 days thereafter. The United States most recently submitted its Twelfth Status Report on July 23, 2021 (Doc. No. 36).

The related criminal case pending before U.S. District Judge Sim Lake in Criminal Case No. H-18-CR-339, which includes forfeiture allegations against the Defendant Properties named in this civil case, remains pending. In September 2021, one defendant pleaded guilty to conspiracy to unlawfully distribute and dispense controlled substances (Count One) pursuant to a sealed plea agreement.

At the motion hearing for continuance held in September 2021, the Court informed the parties that no further continuances in the case will be permitted, and instructed the parties to notify the court of any pleas by November 4, 2021. Contingent upon no plea settings, the projected trial date is planned for January 2022.

Respectfully submitted,

Jennifer B. Lowery  
Acting United States Attorney
